Introduction

So far we have explored our Natural Acceptance

It is for living in Harmony – as an Individual, as a Family, as a Society...

Is there provision in Nature/Existence for living in accordance with our Natural Acceptance?

Is it possible to live in harmony as an Individual, as a Family, as a Society...?

Is co-existence, mutual fulfillment inherent in Nature?

Or

Is the design of nature/existence by way of opposition, struggle, survival of the fittest...?

We will explore the underlying design of Nature/Existence with these questions...

Nature = Collection of Units

Air

Water

Trees

Soil

Animal body

Birds

Animals

Human body

Human Beings

Earth

Nature = Collection of Units = 4 Orders

All units can be categorised into 4 orders

Between Physical Order and Bio Order
Interconnected, Interdependent

- Mutual Fulfillment
- 1. Cyclic
 - 2. Every unit is enriched

Mutual Fulfillment = Relatedness + Fulfillment

ijLij iwjdrk = ijLijrk + iwjdrk

Between Physical Order, Bio Order and Animal Order
Interconnected, Interdependent

Mutual Fulfillment

- 1. Cyclic
- 2. Every unit is enriched

Relationship of Mutual Fulfillment

Physical Order, Bio Order and Animal Order are enriching for Human Order, but Human Order (without right understanding) is not fulfilling for any of the 4 orders

Human beings have natural acceptance to be mutually fulfilling

Once human beings understand, they can be fulfilling for all four orders

Present-day Problems are largely due to Lack of Understanding

Resource Depletion – The resource is used at a rate which is faster than the rate at which it is produced in nature

1. It does not return to the cycle in nature or
2. It is produced at a rate that is faster than the rate at which it can return to the cycle in nature

Harmony in Nature iz—fr esa O;oLFkk

- Quantity of units in each order
Physical >> Plant >> Animal >> Human
Quantity as per overall enrichment of the whole; and availability of sustaining resources
- Dependence of each order is on all previous orders
- Survival of Human Order is dependent on all the three orders.

Harmony in Nature iz—fr esa O;oLFkk

All orders have definite conduct – except human order without right understanding

In human being, the Body has a definite conduct

The Self (I) operating on assuming without knowing is the source of indefiniteness, problem

The solution is to ensure knowing
(understanding harmony)

Human beings inherently have a
natural acceptance to know,
to be in harmony

For this,
human education-sanskar
Is essential

Bravery The commitment to help the other develop right

Generosity Readiness to invest oneself, one's body & physical facility
mnkjrk to help the other develop right understanding & to live

Participation of Human Being in Entire Nature

To understand the inherent harmony in nature and to live accordingly, i.e.

- To facilitate a conducive environment for the **activity** (at least not violate it) of all orders
- To facilitate the **innateness** (or at least not violate it) of all orders
- To facilitate the **inheritance** (or at least not violate it) of all orders

Order	Human Participation for Mutual Fulfillment
Physical Order	Facilitate its existence by ensuring conducive environment and maintaining / ensuring its constitution (eg. constitution of earth)
Bio Order	Facilitate its growth by ensuring conducive environment and maintaining / ensuring its seed (e.g. seed of rice)
Animal Order	Facilitate care of the body by ensuring physical facility, environment for existence & growth of body. To ensure its will to live Maintaining / ensuring its breed (eg. breed of cow)
Human Order	Facilitate care of the body by ensuring physical facility, environment for existence & growth of body Facilitate its will to live with continuous happiness by ensuring human education-sanskar , participating in developing / maintaining undivided society & universal human order

Sum Up

1. Physical order – soil, metals etc.
2. Bio order – trees, plants etc.
3. Animal order – animals, birds etc.
4. Human order – human beings

Nature = Collection of Units
= 4 Orders

Relationship of mutual
fulfilment (harmony)

There is a relationship of mutual fulfilment (harmony) amongst these 4 orders. The first 3 orders are mutually fulfilling for each other. They are fulfilling for human being also. It is naturally acceptable to human beings to be fulfilling for all the orders

The role of human being is to realize this mutual fulfilment – For this, all that human beings need to do is:

1. To understand that mutual fulfilment (harmony) is inherent in nature – we do not have to create it
2. To live accordingly – then the mutual fulfilment amongst the 4 orders will be realised

and there is provision in nature for living with mutual fulfilment (harmony)

Units are identified by their **boundary, limitedness**

They appear to be **separate** from each other, in **isolation** from each other;

So, when we focus on units only, we see the isolation, the separateness, dividedness.

Now, **are they divided, isolated or are they related?**

We have seen that they are related, then what is the basis of relationship?

To understand this, we have to understand the **reality which remains undivided in the these divided units-** and that is **Space**,

So, we need to understand the **Space** also.

This is already in harmony

Only this part is remaining
And it has to happen in the

Now we can see that...

Happiness is an indicator, a feedback, that we

- have understood harmony and
 - live in harmony

Unhappiness is an indicator, a feedback, that we

- have not understood harmony and
 - do not live in harmony
- } at one or more of the 4 levels of our being

Our role is to make the effort for excellence

- to understand harmony and
 - to live in harmony
- } at all levels of our being
1. In the Self, as an Individual
 2. In Family
 3. In Society
 4. In Nature/Existence

Continuous happiness

Program for Human Being (Our Role in Existence)

Existence is Co-existence

Human Being is by virtue of Co-existence; embedded in Co-existence

All the Human Being needs to do is

1. To understand Co-existence and
2. To live in Co-existence

Program for Human Being (Human Role in Existence)

Human beings have two important things to do:

1. To understand the co-existence

- 1.1. To understand co-existence – **Knowledge** (ज्ञान)
- 1.2. To ensure the feeling, thought of co-existence – **Resolution** (समाधान)

2. To live in co-existence

- 2.1. To live in co-existence with human-beings
 - family to world family – **Undivided Society** (अखंड समाज)
- 2.2. To live in co-existence in nature
 - family order to world family order – **Universal Human Order** (सार्वभौम व्यवस्था)

By these two being ensured by human beings, the result will be Undivided Society and Universal Human Order on Earth, in which Harmony and peace are very natural outcomes
(and there is every provision in Existence for it)
